

New Products 2020

New products including iAISTX, CLA2000 and the GPS150 TriNav sensor

Dec 11, 2019 14:22 GMT

Digital Yacht 2020 Price List & New Products

Dear UK Partner

Our latest 2020 GBP Price List is now available to download as a PDF from [HERE](#) or [HERE](#) as an Excel file. You can also click on the download link below. This becomes effective 2nd January 2020 and there are both price increases and reductions across all product lines.

New products include:

GPS160 - Our award winning TriNav sensor with GPS, Glonass and Galileo capability and a unique MOB function too plus availability with multiple interfaces such as NMEA 0183, NMEA 2000, SeaTalk and wireless.

iAISTX - Value priced, high performance AIS Class B transponder with wireless interface designed for the growing base of navigation app users on iPads and tablets

WL510R - New hi power wifi access system for shore-side hotspots with integrated router

CLA2000 - Fully approved Class A AIS transponder with colour display and advanced features

We look forward to working with you in 2020
