# Digital Yacht 2020 US Price List & New Products

Dear Partner

Our 2020 US\$ Price List is now available to download as a PDF from [HERE](#) or [HERE](#) as an Excel file. You can also click on the download link below.

This becomes effective January 2nd, 2020 and there are both price increases and reductions across all product lines.

New products include:

**GPS160** - Our award winning TriNav sensor with GPS, Glonass and Galileo capability and a unique MOB function too plus availability with multiple interfaces such as NMEA 0183, NMEA 2000, SeaTalk and wireless.

**iAISTX** - Value priced, high performance AIS Class B transponder with wireless interface designed for the growing base of navigation app users on iPads and tablets

**WL510R** - New hi power wifi access system for shore-side hotspots with integrated router

**CLA2000** - Fully approved Class A AIS transponder with colour display and advanced features

We look forward to working with you in 2020
