Digital Yacht at the Annapolis Sailboat Show with New Products

Digital Yacht will be at the Annapolis Sail Boat Show from October 10-14 on Booth A8. We'll show exciting new products including our GPS160 TriNav positioning sensor with GPS, Glonass and Galileo capability - offering boaters the choice of 3 global satellite systems for unprecedented accuracy and reliability. It also features a unique MOB facility too - find our more [HERE](#)

Also on display will be our full line up of AIS transponders including new Class B+ units as well as 4G Connect which offers fast internet connectivity through 4G at up to 20NM from the coast.

Find out how to connect your iPad or tablet to your boat's navigation system and enable AIS on the Navionics app with our latest NavLINK 2 and WLN10SM NMEA to wifi servers.

Our latest 50 page product guide is available to download from the link below and we look forward to meeting you in Annapolis where there are great "show only" deals too!

The Digital Yacht Team
