Digital Yacht Canada - New 2020 CA\$ Price List

Dear Canadian Partner,

Our latest 2020 CA\$ Price List is now available to download as a PDF from [HERE](#) or [HERE](#) as an Excel file. You can also click on the download link below. This becomes effective now and there are both price increases and reductions across all product lines.

New products include:

- **GPS160** - Our award winning TriNav sensor with GPS, Glonass and Galileo capability and a unique MOB function too plus availability with multiple interfaces such as NMEA 0183, NMEA 2000, SeaTalk and wireless.
- **iAISTX** - Value priced, high performance AIS Class B transponder with wireless interface designed for the growing base of navigation app users on iPads and tablets
- **WL510R** - New hi power wifi access system for shore-side hotspots with integrated router
- **CLA2000** - Fully approved Class A AIS transponder with colour display and advanced features

Our latest 2020 Product Guide is available for download from [HERE](#)

Discounts remain unchanged on the attached CA\$ price list with FREE delivery via FEDEX on dealer orders over CA\$1500 net and a fixed CA\$35 cost for smaller orders. Delivery time is typically 2-3 days

Best wishes for 2020!

The Digital Yacht team
