New Products from Digital Yacht for September 2020

Dear UK Partner,

We're delighted to introduce new, innovative products which are now shipping. You can download our latest UK GBP pricelist from [HERE](#) and full details of new products are on our website at www.digitalyacht.co.uk. Here's a quick summary:

JB1 JUNCTION BOX

A simple way to make reliable power and NMEA 0183 connections - ideal for professional and DIY installers

DST810 SPEED-DEPTH-TEMP TRANSDUCER FOR NMEA 2000

This latest tri-ducer product simply connect to any NMEA 2000 system and provides depth, boat speed, heel, pitch and water temperature information. It also features a Bluetooth interface and has a calibration app for iOS and Android allowing advanced calibration settings to be entered and stored in the transducer. Ultra fast 5Hz boat speed updates and ideal for use with our NavLink NMEA 2000 to WiFi gateway for any tablet instrument app

NAVDOCTOR NMEA 2000 DIAGNOSTICS MONITOR

A unique NMEA 2000 diagnostics tool - connect to any NMEA 2000 network and logon to NavDoctor using a phone, tablet or PC to view network diagnostics. See and drill down on devices, data (PGNs) and see the physical characteristics too with frame error detection, bus voltages etc. Produce a system audit report for enhanced customer confidence too. This is a must have for every system installer.

NEW AQUA PCs AND MONITORS

We upgraded our popular Aqua Compact Pro and Pro+ to the latest 10th generation Intel i3 and i7 processors. These are more powerful and power efficient and incorporate the latest networking with wifi and Bluetooth connectivity, multi monitor support and USB C connections. There's also our new S124 24" LCD monitor for chart table or pilot house/bridge installation.

AIS DEPLOY

This is an ultra rugged, portable Class A AIS navigation solution for military, naval and professional applications. Self contained and autonomous, it has wifi for tablet and iPad connectivity and an integrated 22Ah battery pack. More details [HERE](#)

Best wishes and stay safe!

DIGITAL YACHT 2021 IS ALL ABOUT NEXT GENERATION NAVIGATION, COMMUNICATION AND ENTERTAINMENT SYSTEMS FOR YOUR BOAT. BOATING SHOULD BE FUN, SAFE AND EASY AND OUR PRODUCTS INTEGRATE INTO EXISTING AND NEW BOAT NETWORKS TO BRING A POWERFUL DIMENSION TO YOUR ON-BOARD ELECTRONICS.
