## NMEA Marine Electronics Journal Now Available Free For Our UK Dealers

Dear Partner

Digital Yacht and the National Marine Electronics Association (NMEA) have collaborated to offer members of the marine electronic's trade a FREE digital subscription to the bi-monthly magazine, Marine Electronics Journal. The subscription would normally cost \$25 per year but if you sign up through this offer, you will receive the digital issue of the magazine free of charge for the next two years. The digital subscriptions also include the annual MEJ Buyers'

Guide which is recognized as the best database in the industry for sourcing marine electronic equipment and services.

If you have not seen the latest digital issue click [HERE](#) for a copy - it's great reading

To sign up, click on the [Sign up link](#) and provide your email. It is as simple as that. NMEA promise that your details are only used for this purpose and never sold to third parties
